Factory Builder Stores Picks Up-Starmark Cabinetry Line

Houston, TX 9/14/09 — Factory Builder Stores, Texas'

largest contract distributor picks up the Starmark line of cabinetry. Starmark fits in well with Factory Builder

Stores high end cabinetry lines and offers a semi-custom cabinet choice with thousands of options that are all warranted for a lifetime.

“Relationships are so important in business, especially in today’s time. Starmark is a great company to do business with, founded on a passionate focus on quality and integrity.” says Kitty Decareaux, Vice President of Cabinet Sales for Factory Builder Stores.

Starmark Cabinetry is the preferred choice of custom cabinet manufacturers, and with good reason: They offer the latest designs, species and finishes on the market. The Lifetime Warranty offered by Starmark means all cabinet products and standard finishes are covered against defects in materials and workmanship as they are meant to stand the test of time.

“One of Starmark’s greatest features is their quality decorative finishes.” says Stacie Fox, Cabinetry Sales at Factory Builder Stores.

Starmark is also an approved participant in the KCMA Environmental Stewardship Program, having met the requirements of ESP 01-06 for Air Quality, Resource Management of Product and Process, Environmental Stewardship and Community Relations.
